VISIONS

A rainbow is more than a vision
A desire is more than a dream
it is not always easy
for the beauty of both to be seen

In life many steps are before us
and many a goal to reach
lessons will be taught to us
and many a lesson we'll teach

Maybe these things are over the rainbow
or maybe they are deep in a dream
we must open our eyes for
the beauty of both to be seen

A rainbow is more than a vision
A desire is more than a dream
much more than can ever be seen

A fresh start
Slowly
Like the start of a bird in flight
Our time together began.

Floating on
We create moments
That will never be the same
again.

Sailing
To a future unknown
What we have been
May give us a clue
To what we will be.

The year flew by and now
it's gone, but the memories
never die
Like the sky above, open
and wide, so does the future lie.

We'll all go on to better
things and remember the
times we had.

But better yet are the years
to come, the years that lie
ahead.

Doing the things we've looked
forward to, and doing them the
best we can.

Saying good-bye to all our
friends
But hoping to meet again.

-Shari Leaton

Mark (Awesome) says; Let's have a_____!

"Would you dare mess with us!"

Boy that sure does look good!

The three stooges

"Wild Women", Blue Devil Offense of "82"

"The full meal deal!"

Dear Greg, . . .

The big ones!

"I bet I get her before you do."

Boys Fed bites it again!

I'm not, look at my eyes!

You've got to be kidding!

Facing the challenge of replacing 10 defensive starters and 9 offensive starters and a first week by, the 1981 Blue Devil football team took on the best in the state as they fought their way to a respectable 4-4 season and a fourth place finish in what many have called the "toughest league in the state." After an opening loss to Kamiakin in the closing seconds, the young Blue Devils were impressive in their next three outings. With a 22-0 win over Moses Lake and a hard fought 6-0 win over Davis, the Devils prepared to take on a Senior laden Pasco team who had been picked to be one of the playoff contenders. A fast maturing offense and a stingy defense made their mark as the Blue

Devils "blew them away" with an impressive 33-0 victory. With an offensive team that was leading the league and defensive team which was second in total yds allowed opponents, the Devils prepared for the "meat" of their schedule. The next three weeks found them on the "short end" as they lost to both state-ranked Kennewick and eventual state champions Richland and finally always tough Wenatchee. Needing a win at their final game to be five hundred, the Blue and White of Wa-Hi entertained a large crowd which featured the introduction of senior parents at the traditional "Senior Night" as both the offense and defense were most impressive in a 39-7 win over Ike.

Individual and team honors were many, as a total of 8 records were broken, and eight players earned 1st, 2nd and Honorable Mention All Conference recognition. Traditional activities such as the Guardian Angel Kidnap Breakfast; Pizza feed and Homecoming became bigger than ever, while new ones like the "Rib eating" contests, fashion show, and Tuesday night Football on channel 13, featuring the Wa-Hi Blue Devils, made it a great and successful football season. The season ended as a crowd of parents, players, coaches and fans were entertained at the annual football banquet at the Elks Lodge. Letters, awards and special recognitions were handed out to the players and cheerleaders. Congratulations are in order to our great seniors who by their personal commitment to being the best they could possibly be, and to our Juniors, who played key roles in a senior dominated league, committed themselves to a winning effort. A special thanks to our cheerleaders whose hard work and a dedication to being the best became the "CLASS OF THE LEAGUE". Let it be known that the personal growth of our players and cheerleaders, the working together for a common goal in a positive environment, has made this 1981 football season a tremendous success.

It was another successful and winning season for the Blue Devils Girls' Basketball team as they made their way to a 20-6 win-loss record.

The season was highlighted by a first place finish in the Exchange Club Tournament and a second place finish in district, with an exciting and emotional victory over Kamiakin 42-41 which sent our team onto the Regional Tournament.

Although the girls fell 7 points short of making it back to State, they did manage to play very well in the Regional Tournament, beating Gonzaga Prep 61-49 before losing to a tough Shadle Park team, 57-64.

This year's team graduates five hardworking senior players and one dedicated trainer. They are Annette Bergevin, Shari Brown, Sherry Hoppen, Karla Krebs, Lori McMunn, and Stephanie Swyter.

But next year will find a talented group of returning varsity and jr varsity members. They will be an exciting team to watch.

We wish to thank all those who supported our team this year. You are very important to us.

In analyzing our season I thought we had a very good year. Our 14-9 win-loss record is indicative of the type of season we had. Included in our losses were two one-point losses to Davis and Kennewick and a forfeit to Kamiakin. We could have very easily been 17-6, with a little luck.

I think the seniors can look back on the season and know they did a creditable job. Not too many Wa-Hi basketball teams have had two victory seasons over Richland and Pasco. Those two road victories over Pasco and Richland were definitely the highlights of the season. I really think that this year's basketball team can be proud of the fact that they provided some very exciting basketball for Wa-Hi fans this year. Seniors Trevor Krivoshein (Second Team All-Conference), Jim Eggart, Tom Golden, Bret Morrell, John Brashear, and Curt McElhaney will not be back next season. Their dedication and strong leadership will be sorely missed.

I can be nothing but optimistic about our chances next year. We have some very promising J.V. players coming up to go with three Varsity starters next year. Our J.V. team went 19-1 this year under the guidance of Coach Jim Meredith.

I'd like to personally thank everyone for their support this year. Community and school support are very much a part of any successful sports program. You can be proud of the fact that you helped to make our basketball season a great one.

It was a year of Golden Moments. Who will forget the dominance of Brian Humphreys at North Idaho?
Who can forget the determination of Joe Cantrell? in the Wa-Hi Invitational?
The desire of Brad Rude to come back from an injury to make it to the State Tournament will be remembered always.
The hard rock dependence the team could put on Jeff Helm will insure his place in the annals of Wa-Hi wrestling history. These were the Varsity Seniors. They have been devoted. They have been leaders. They will be missed. What of the others? Early on in the season it was apparent that it would be a building year. Three weight classes to forfeit were too many. What could they accomplish? Plenty. It was not in them to be discouraged and quit. They were not content to bear the burden and wait until next year. They did not learn to accept defeat without a whimper. They fought. They worked. They got better. What now? It's all up to them. How much can they remember. They didn't like to loose, but how much didn't they like to lose? What can they do to insure that it will be different? Some have already started. There is no secret to success. Work is the key. Committment is the answer. Desire can conquer all. The nucleus for the future is there. 1981-2 was of Golden Moments: 1982-3 can be a year of Gold.

As we complete this final page of our '82 ROYAL BLUE, we realize that without the help of many people it would not be the yearbook that we wish to present to Wa-Hi. We are indebted to the following people:

Phil Spangler, Herff Jones

Cindy Sandberg, Division page art work

Darren Ellis, photography

Lewis Studio

and to the administration, faculty and students of Wa-Hi for their patience and cooperation.

GRADUATION 1982

Friday, June 4, was an exceptional night for the graduating class of 1982. Due to unusual weather conditions, the commencement took place in the Dietrich Dome at Walla Walla Community College. Four hundred four students received diplomas from Mr. Ray Needham, school board president, and Mr. Dennis Ray, superintendent.

Presenting awards to the outstanding students of the class was Walla Walla High School Principal Richard P. Neher.

Associated Student Body President Karla Krebs traditionally presented the cane to Mark Anderson, '82-'83 ASB President. The Reverend Keith Krebs concluded the evening with the Benediction.
